

About...

- ... Simon Fronhöfer
- Computer Engineering (M.Sc.) at TU Berlin
- Currently: Master thesis
 - At Rohde & Schwarz
 - With Hagen Paul Pfeifer
 - Topic: QUIC analysis in IoT networks
- Interests
 - Wireless networks
 - Ad Hoc networks

s.fronhoefer@campus.tu-berlin.de

Questions and Discussions

- QUIC performance and TLS
 - Optimizations (on CPU-constrained devices)
 - Hardware Offloading?
- QUIC: Exchange of new measurement reports
- OppNets: Cure for big data and machine learning applications?
