

VAIBHAV BAJPAI

Postdoctoral Fellow

– advised by Jörg Ott

Recipient of IEEE COMSOC Award

[2017]

– best dissertation in Network & Service Management

Teaching

- Future Internet Protocols Seminar
- Internet Measurements Seminar

<https://goo.gl/NUfgD4>

<https://goo.gl/F4NdhL>

Research

- **Longitudinal** Internet Measurements

[SIGCOMM CCR' 17] [SIGCOMM CCR' 17] [ANRW' 16]

[NETWORKING' 15] [PAM' 15] [COMST' 15] [SIGCOMM CCR' 15]

- Network Management and Related IETF Standards

[TNSM' 17] [IM' 17] [CNSM' 16] [RFC 8194]

- Reproducibility

[SIGCOMM REPRODUCIBILITY' 17] [TMA SHADOW PC' 18 CO-CHAIR]

Open Questions

- Is network performance largely driven by latency today?*
- How to measure network performance on the move?*
- How to encourage longitudinal measurements?*
- How to encourage networking research to be reproducible?*
